

# Drop Tuned Power Chords

Level UP Music Academy

Dropped D

⑥ = D

♩ = 100

s.guit.

The image shows a guitar TAB for a 4-measure sequence of power chords in dropped D tuning. The notation is organized into three systems of five lines each, representing the guitar strings. Measure 1 (labeled '1') shows a power chord with the 6th string open (0) and the 5th string at the 3rd fret (3). Measure 2 (labeled '2') shows a power chord with the 6th string open (0) and the 5th string at the 5th fret (5). Measure 3 (labeled '3') shows a power chord with the 6th string open (0) and the 5th string at the 3rd fret (3). Measure 4 (labeled '4') shows a power chord with the 6th string at the 1st fret (1) and the 5th string at the 1st fret (1). The sequence repeats in the second system (measures 5-8) and the third system (measures 9-12).
